FOR THE CHILDREN

Music & Lyrics - Kim Maerkl

Listen to my voice
It's crying in the night
I'm looking for a star
To wish upon tonight

Please remember me
I only wish for peace
To stop the hate of man
And live in harmony

Someday
All the wars will stop and
We can begin to
Look around and see that
We are all just the same
All hope for love and joy
In life to share on earth

We can't lose our dreams
They carry us through life
And hope is all we have
When suffering is wide

Like the stars so bright
Love fills us with its light
And gives us strength to walk
Through all the darkest nights

Live life
Don't wait for tomorrow
Do what you can
To relieve someone's sorrow
And believe in a dream
Don't be afraid to
Fill your heart with love, not hate

Listen to my voice
It's crying in the night
I'm looking for a star
To wish upon tonight

Please remember me
I only wish for peace
To stop the hate of man
And live in harmony
